Academic Positions

Texas A&M University

Lecturer, 2024.

Teaching Assistant, 2022, 2023.

Research Assistant, 2018-Now.

Education

Ph.D candidate, Texas A&M University, USA, 2024.

DISSERTATION TITLE: Structural Estimation of Partially Observable Markov Decision Processes and Partially Observable Stochastic Games: Theory and Applications.

COMMITTEE: Yanling Chang (chair), Alfredo Garcia (co-chair), Nathan Yang, Brandon Schmeichel, Ceyhun Eksin

B.S. Industrial Engineering, Shanghai Jiaotong University, China, 2016.

Research Interests

Structural estimation; partially observable Markov decision processes; partially observable stochastic games; retail investment; cognitive fatigue.

Job Market Paper
